Expert-led deep dives into today's most relevant orthopedic topics	Practical sessions with strategies attendees apply right away	Research presentation tracks across diverse populations and conditions

John D. Heick

PT, PhD, DPT · Featured Keynote Speaker

From First Contact to Full Recovery: The Power of Primary Care Physical Therapy

What if patients could access the right care sooner — without unnecessary delays or referrals — while improving outcomes and reducing costs? Dr. Heick explores how primary care physical therapy is transforming healthcare delivery by positioning physical therapists as first-contact, front-line providers.

- How physical therapists function as entry-point providers while maintaining patient safety
- Practical examples of efficient triage, diagnostic reasoning, and care navigation
- Where primary care physical therapy is headed next

What Attendees Experience — and What This Means for Sponsors

- Live interactive sessions across simultaneous tracks — Maximum dwell time on the platform where your brand appears
- Structured virtual networking — Dedicated touchpoints where sponsors can engage directly with attendees
- On-demand access to recorded sessions — Your brand's visibility extends well beyond the day of the conference, reaching viewers who access content on demand after the event

THE OPPORTUNITY

Why Sponsor This Conference

As the largest and one of the fastest-growing Academies within APTA with **15,500+ members**, APTA Orthopedics connects your brand with a nationwide audience of **engaged orthopedic physical therapy professionals** — all in one focused, high-impact day.

Direct Brand Exposure Your logo and messaging appear on waiting room slides, the conference app, emails, and the website — reaching attendees at every touchpoint.	Qualified Audience Every attendee is an orthopedic PT professional. • 37% in private practice • 17% are practice owners with direct purchasing authority
Nationwide Reach The virtual format removes geographic limits — your sponsorship reaches orthopedic PT professionals across the entire country.	Dedicated Networking Structured networking sessions create direct sponsor-to-attendee engagement — not just passive logo placement.

ATTENDEE LIST ACCESS	
Pre + Post	Premier and Clinical Excellence sponsors receive the full attendee list before and after the event — a direct channel to connect with orthopedic PT professionals at every stage.
